

My local K-Love station is one of just a few local stations that I, as a Christian, can listen to without being offended. I appreciate everything they stand for and represent.

I believe that if K-Love were lost, my local community would be adversely affected. I beleive the gospel of Jesus Christ needs to be spread to every corner of the earth and that K-Love is one way God is doing this.

Please don't take away my K-Love!!! We have plenty of other local stations for almost every type of music but only one local Christian station. Please, don't take the one station we do have.
